PPRTA is a successful collaboration of the member communities supported by a 2004 voter-approved one-percent sales tax and administered by the Pikes Peak Area Council of Governments. The PPRTA provides local funding for road improvements, maintenance, and public transportation projects throughout the Pikes Peak RTA area, including El Paso County, Colorado Springs, Manitou Springs, Green Mountain Falls, and Ramah. The 17-member Citizens Advisory Committee helps to prioritize transportation needs throughout the area and advises elected officials from the five governmental entities who serve on the PPRTA Board of Directors.
